GREEN ATTITUDE

Dotato di tecnologie performanti che permettono alla struttura significativi risparmi sui consumi energetici, Devero Hotel si è allineato, per scelta, con gli obiettivi sanciti dal protocollo di Kyoto. Benessere per gli ospiti e per il Pianeta.

The Devero Hotel chose to comply with the Kyoto protocol and was therefore fitted out with highly performing technologies thanks to which the facility is able to reduce quite a bit of energy consumption. Wellness for our guests and for the Planet as well.

A woman is relaxing in a large, modern bathtub filled with bubbles. The room has a warm, golden-brown color scheme with recessed lighting in the ceiling and floor. A stack of white towels is on a small table next to the tub. In the background, a glass-enclosed shower area is visible.

OSPITALITÀ: IL BENESSERE INIZIA QUI

HOSPITALITY: YOUR WELLNESS BEGINS HERE

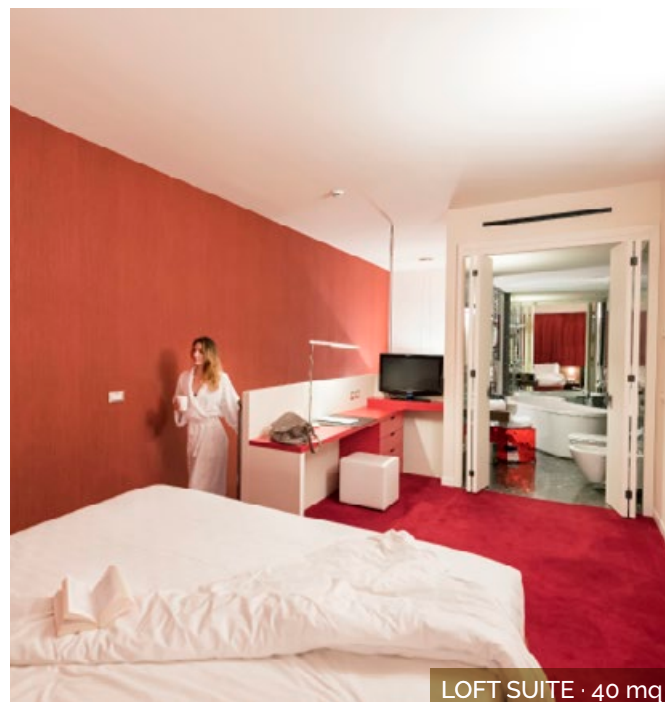

A modern hotel room featuring a large, ornate chandelier with multiple light sources. The room has a glass-enclosed shower area and a large bed. The walls are decorated with patterned wallpaper, and the floor is made of dark wood. A television and a small table with fruit are visible in the background.

Luoghi in cui isolarsi per assaporare il relax di fine giornata. Dalla Penthouse, 70 mq di luxury comfort, dove la mente dimentica l'ospitalità alberghiera per ritrovare la dimensione home, alle altre tipologie di camere pensate per far sentire a proprio agio il business man come il viaggiatore da tempo libero.

In the Devero Hotel, you will find places where you are sure to enjoy a moment's solitude and relax at the end of the day. From the Penthouse, with its 70 sq.m. of comfortable luxury, that soon makes you forget you are in a hotel and envelops you in a sensation of being home, to our other rooms all devised to make both the business man and the leisure traveller feel at ease.

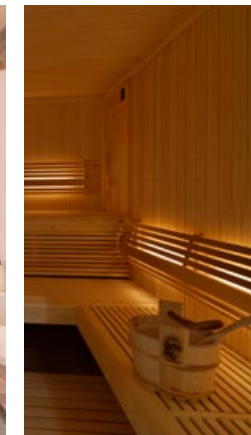

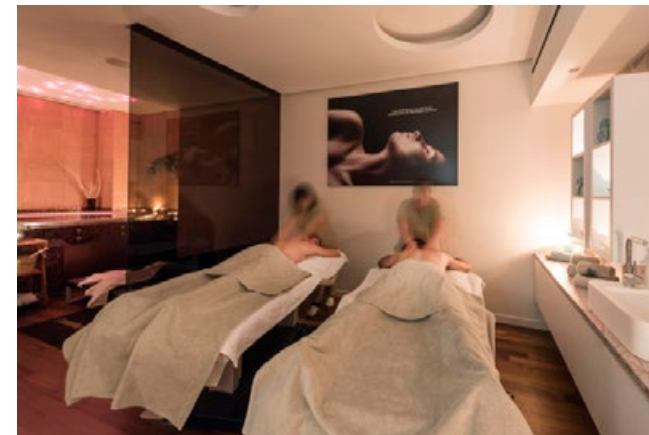

Spazi studiati per dividere con eleganza le zone living da quelle notte. Massima attenzione al benessere psicofisico dell'ospite nella scelta di dotare alcune camere di docce emozionali con cromoterapia, vasche idromassaggio o bagno turco. Menu cuscini e angolo tisane completano l'approccio al benessere.

Elegant spaces designed to separate the living rooms from the bedrooms. Because we care about our guest's well-being, we decided to equip some of the rooms with multi-sensory showers, whirlpool or steam bath. EVENTI DALLA FORTE PERSONALITÀ *REMARKABLE EVENTS*

Un tetto trasparente, uno spazio luminoso, una soluzione non convenzionale per ospitare cerimonie e banchetti: la "Serra" è tutto questo. Tradisce un'anima più glamour, invece, il "Patio", destinato a location esclusiva per eventi. Il "Dehor" del Devero Ristorante punta sull'effetto suggestivo dello specchio d'acqua con il piacevole sistema di coperture a vela e gli spazi living per la conversazione.

If you are looking for an unconventional option for your reception or banquet, the "Serra" with its sun-filled conservatory and bright and airy spaces, is all this and more. If you wish for more glamour then the "Patio" is definitely the ideal location for your exclusive events. The "Dehor" of the Devero Restaurant is all about the more evocative atmosphere of the pool with its pleasant covering reminiscent of a sail and the surrounding areas where you can sit and chat.

GUSTO INFINITO *ENDLESS TASTE*

Tre ambienti, tre mood, tre diverse interpretazioni dello stare a tavola. Il Devero Ristorante, il Bistrot Dodici 24 e il Lounge Bar offrono all'ospite esperienze gourmet in cui i sapori della migliore tradizione italiana diventano proposte food&beverage rivisitate in chiave contemporanea. Se la qualità è il fil rouge che le accomuna, il criterio di scelta diventa la filosofia di approccio all'esperienza: slow, calda e avvolgente al Devero Ristorante, vivace e dinamica al Bistrot, da aperitivo internazionale o da break veloce al Lounge.

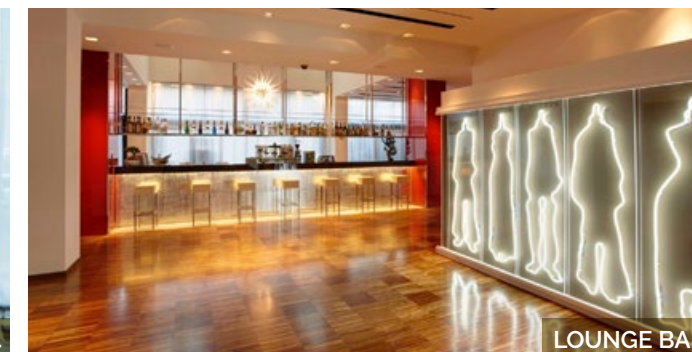

Three different areas, three different ambiances, three different ways to enjoy good food. The Devero Restaurant, the Bistrot Dodici 24 and the Lounge Bar all serving their guests a gourmet experience where the flavours of the best traditional Italian cuisine become food&beverage with a modern twist. Quality is no doubt the leitmotif of all three but the difference of choice lies in the kind of atmosphere you wish to experience: slow, warm and enveloping in the Devero Restaurant, lively and dynamic at the Bistrot, or you might simply be in the mood for a quick break or international aperitif at the Lounge.
